Re: New U.S. \$5 note updates for Bill Acceptors used in Rowe Jukeboxes and Rowe Bill Changers

The U.S. Department of the Treasury announced that the circulation release date for the new \$5 bills will be March 13, 2008.

Place orders NOW!

There will be strong demand for the following piggyback circuit board kits for the new \$5 notes. Please place your orders immediately as delivery will be on a first received, first shipped basis. Please use part numbers from the table below.

Shipment of \$5 note update kits

MOST NEW Jukeboxes using Mars bill acceptors shipped from Rowe will be equipped with new \$5 note updates beginning Mid-January 2008. The Mars bill acceptors that have been updated to handle the new version notes will have a "MEI 2008 \$5 ready" label. In addition a "green dot with V" will be found on the white serial number label on the shipping carton.

For Jukeboxes IN THE FIELD using Mars bill acceptors contact your Mars distributor as all Mars Series 2000 acceptors can be programmed in the field with a MEI Bill Programming Module (BPM).

MOST NEW Century Bill Changers and Bill Breakers using Mars bill acceptors shipped from Rowe will be equipped with new \$5 note updates beginning Mid January 2008. The Mars bill acceptors that have been updated to handle the new version notes will have a "MEI 2008 \$5 ready" label. In addition a "green dot with V" will be found on the white serial number label on the shipping carton.

For Century Bill Changers and Bill Breakers IN THE FIELD using Mars bill acceptors contact your Mars distributor as all Mars Series 2000 acceptors can be programmed in the field with a Bill Programming Module (BPM).

For Century Bill Changers IN THE FIELD using Coinco bill acceptors contact your Coinco distributor as Coinco Mag 50 and BP4SX acceptors can be programmed in the field.

IMPORTANT NOTE: With this new style NexGen \$5 note Coinco software, see the attached Rowe Information Update for new Century programming instructions.

NEW BC Model Bill Changers using BA-50 bill acceptors shipped from Rowe will be equipped with new \$5 note updates in late March 2008 when testing has been completed using actual circulated new style \$5 notes.

Kits for BC Model Bill Changers IN THE FIELD using BA-50 bill acceptors will be available in late March after testing has been completed using actual circulated new style \$5 notes.

Free \$5 Kits for Rowe BC Model Changers shipped after January 1, 2008

Distributors will receive \$5 software kits at NO CHARGE for new BC Model bill changers and BA-50 update kits shipped from Rowe after January 1, 2008. Distributors are encouraged to provide these FREE updates to customers at NO CHARGE.

Updates for Rowe BC Model Bill Changers

Please use the following part numbers based upon your changer models. **Those changers that are currently accepting the NexGen \$10 & \$20 note will also need a new NexGen piggyback board and EPROM kit. All Piggyback board kits will have a Fast Pay EPROM mounted on the piggyback board. The Double Dump EPROM will be included separately in the kit.**

If you have:	Eprom & Piggyback Kit Part #
BC1200/1400/2800/3500 BC 100/200	27050001
BC 150	27050002
AntiStringing Kits for BC1400/2800	27050003
Jim Coleman Kits	27050004

Thank you for your past business and we look forward to your support for a successful 2008.
